

*In honor of our 75th Anniversary, we are proud to announce*

## **A Campbell Hall Tradition THE ALUMNI COURTYARD**

Campbell Hall has prepared students for their futures by nurturing talents, fostering critical thinking, and instilling strong values. Our alumni exemplify this remarkable education which is illustrated by all the GOOD they do each and every day.

As a Campbell Hall alum, you have been integral in shaping the school's special history, helping to form the community and traditions that our students enjoy today. Now is your chance to honor the school that encouraged you along your own unique pathway and, in turn, be recognized by those who will walk a similar path.

*Leave your mark on Campbell Hall  
by purchasing a courtyard stone.*

Rendering of newly-created Alumni Courtyard

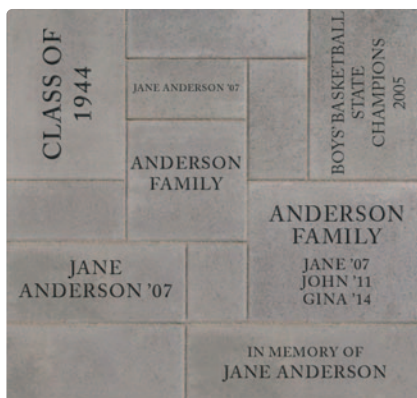

# The Alumni Courtyard

By purchasing a courtyard stone, you will have the pleasure of visiting campus and viewing your enduring testament of support of Campbell Hall for years to come. Inscribed stones will be permanently installed in the newly-created Alumni Courtyard located on the high school campus to commemorate the 75th Anniversary of Campbell Hall and to showcase the impact that each alum has had on our school.

Proceeds from the Alumni Courtyard will directly support the newly-established **Alumni Legacy Scholarship**, providing Financial Aid to children of alumni whose families might not otherwise be able to afford a Campbell Hall education. Once fully funded, the Alumni Legacy Scholarship will be available through the Admissions and Financial Aid application process.
