Design Challenge Engineering 2019-2020

What is Design Challenge Engineering? It’s a combination of project-based learning, design thinking and the engineering design process that develops the innovator’s mindset through iteration. This session will incorporate learning and fun with potential real-world challenges. As students work through their engineering design challenges, they will have the opportunity to build problem-solving, teamwork, communication, and creative-thinking skills.

Session 1 - Registration opens August 1, 2019
Tuesdays - 4:00-5:00pm (8-week session)
September 3-October 22
Fee: $280
Open to: Grade 3–5
Maximum class size: 16 students

Instructors: Linda Savage and Amanda Dye

For more specific information about this class, please contact the instructor at savagel@campbellhall.org.
