

Session Details: (Grades 2–3) Minecraft

Session 4: (Grades 2–3) Minecraft

Dive into the world of creativity, coding, and collaboration with Minecraft Makers: Code and Build after-school program! This program combines the power of Minecraft Education and Lego Robotics to teach valuable tech skills in a fun and engaging way. Students will learn coding concepts, solve puzzles, and automate tasks within immersive Minecraft worlds while also bringing their ideas to life by building and programming robotic creations. Along the way, they'll collaborate with peers on epic projects and challenges, fostering teamwork and innovation.

For more specific information about this class, please contact the instructor, Mr. Ricky Elias, at eliasr@campbellhall.org.
