

## **Elementary Theater Program 2023-2024**

### **Story Theater for Kindergarten**

This class offers a safe and fun environment, where students learn to use their voices, bodies and imaginations to create a variety of characters, settings and stories. They can explore how a zombie-scientist might move or how a cat-queen might talk. We might create our own version of “Jack/Jackie and the Beanstalk” where the giant is simply misunderstood and the cow is in cahoots with the bean seller all along. Join us as we foster creativity through theater and stories!

### **Improvisation for 2nd Grade**

Through mostly comedic improvisations and improvisation games, students will take initiative and instantaneously create colorful characters, settings and dialogue. They will also practice the “give and take” of stage work, learning that an actor must listen and work with the other actors on stage, while at the same time, developing their own stage presence. The goal of the class is to encourage each child to have fun discovering their own inherent talent, expression, and sense of humor.
