

LEGACY FOR *good*

THE ENDOWMENT CAMPAIGN FOR CAMPBELL HALL

THE REV. CANON NORMAN HULL ENDOWED SCHOLARSHIP FUND

To celebrate the tremendous impact Chaplain Hull has had on our community, we are pleased to announce the inception of the Rev. Canon Norman Hull Endowed Scholarship Fund which will provide financial support to elementary students whose families could not otherwise afford a Campbell Hall education.

For fourteen years, Chaplain Hull has provided pastoral care not only for Campbell Hall students, but the faculty, staff and parents of our community. Throughout his career Chaplain Hull has been and remains a devoted and dedicated supporter of the underserved. Through his extraordinary ability to build relationships and engender trust, Chaplain Hull helps to promote the personal, social, moral, spiritual and cultural development and well-being of our students.

Chaplain Hull leads the Chapel program for elementary and junior high students. He graduated from Claremont McKenna College in 1985 and from the Church Divinity School of the Pacific in 1995. He served as an assistant priest at St. Michael and All Angels Episcopal Church in Studio City from 1995-1997. He then was called to be rector of St. Mark's Episcopal Church in Van Nuys where he served for thirteen years in a rich multi-cultural community of Filipinos, Africans, Latinos and long-time San Fernando Valley residents. When his daughter, Caroline, enrolled in kindergarten, he began to serve part-time as Chaplain at Campbell Hall and became full-time eight years ago. He currently serves as the Bishop's representative on the Board of Hillside Home for Children. Chaplain Hull and his wife, Susan, have been married for 28 years and their daughter, Caroline, is currently a junior at Carleton College in Northfield, Minnesota. Chaplain Hull is celebrating his 22nd anniversary as an ordained Episcopal Priest this year.

"I am deeply honored for the establishment of the scholarship fund as it will greatly enrich the elementary community and the lives of those who will have an opportunity to receive an exceptional education," said Chaplain Hull.

A generous lead gift to establish The Hull Endowed Scholarship Fund has been received from Hal and Lisa Reynolds (Elle '13, Will '15, & Margaux '23). Once the fund reaches its \$1 million goal, Campbell Hall will have the opportunity to offer a full scholarship to an elementary family. Families from diverse backgrounds, interests, and religious beliefs create a vibrant environment where students' learning experiences are enriched by their classmates' unique perspectives. You are invited to join the Reynolds Family in honoring Chaplain Hull and creating a **LEGACY FOR good** for generations of Campbell Hall students.

Campbell Hall is grateful to the Reynolds family for their commitment and support.

If you are interested in learning the many options to support the fund, please contact the Advancement Office at advancement@campbellhall.org.
