New Student Athletics Information Night
Date Postponed ~ TBD

Students interested in playing athletics are strongly encouraged to attend. Director of Athletics Juan Velazquez will provide an overview of what it takes to be a secondary school student-athlete. Families will be able to meet coaches and will walk away with a better understanding of athletics at Campbell Hall. This has been an exciting year for the Vikings with proud accomplishments on the many fields and courts. There is much to look forward to for those of you looking ahead at secondary school athletics.
