Dear Middle School Families,

We are delighted to welcome you and your child(ren) to the middle school for the 2020-2021 school year. Please review the information below about math and world language placement.

**The ONLINE math placement exam date: April 27 or 28.**

All incoming students are required to take an online math placement test so we can ensure appropriate placement. No preparation is necessary.

**The ONLINE world language placement exam date: April 29 or 30**

World language online placement testing is only required for students who seek a placement beyond the beginning level in their chosen world language. Students who do not have previous experience with the language they choose will enroll in the beginning course. No preparation is necessary.

By Monday, April 13, please [CLICK HERE](#) to register your child for math and world language placement.

Sincerely,

Landry Tagliere
World Language Department Chair
