

(Gr. 1) Story Improvisation

Each week, students will hear an existing story or will create an original story and then proceed to improvise accordingly. Students will also play theater and beginning improvisation games, teaching them how to tap into and express their creativity to develop varieties of characters, settings, and story ideas. In a fun and safe environment, students will also continue to learn to use the full range of their vocal and physical expression. There will be no make-ups or refunds for missed classes.
