

(Gr. 3) Improvisation

Through a wide variety of improvisation games and exercises, students will learn how to create long-form scenes and stories, and will be encouraged to not only instantaneously create characters and settings, but to boldly and whole-heartedly commit to their choices. As with all improvisation classes, students will continue to learn the balance of the “give and take” of stage work, and continue to explore their creative expression, boundless talents, and sense of humor. There will be no make-ups or refunds for missed classes.
