

**(Kindergarten) Kodely: Play-doh World Explorers**

"Sculpt, squish, and shape your way around the world!" Young artists will embark on a hands-on adventure using PlayDoh to bring global landmarks, animals, and cultures to life. They'll mold the Eiffel Tower, sculpt a giant panda, and create their own colorful world of imagination. Along the way, they'll develop fine motor skills while exploring art, geography, and storytelling in a fun, interactive way! There will be no make-ups or refunds for missed classes.
