

**(Gr. 5–6) Life Drawing**

This class offers art-loving students a supportive space to practice and build confidence in drawing. Students will learn fundamental techniques through observational drawing, focusing on human proportions, still life, and live models. Topics include value, tone, and composition. We'll use traditional tools like pencil and charcoal, as well as the iPad app Procreate, and explore how professional artists use drawing in their work. There will be no make-ups or refunds for missed classes.

Minimum class size: 6 students | Maximum class size: 15 students
