

(Gr. 2–3) Beginning Violin (Year-long)

This year-long class is designed for students starting the violin. Students will learn the fundamentals of playing the violin and will also enjoy performing for the CH community throughout the year. Students should provide their own violin and shoulder rest. We recommend visiting Benning Violins in Studio City (benningviolins.com) for violin rentals. To ensure proper sizing, students should be present for instrument selection, as they will need to try several sizes of violins to get just the right fit. Online purchases are not advised. This is a year-long class, and students should plan to attend two classes per week.

This year-long class includes performances in the Winter Wonderland Concert on Dec. 13, the Spring Elementary Arts Festival Concert on May 15, as well as chapel performances throughout the year.
