#### **Dance 4 • 4th Grade Ballet, Contemporary & Family Waltz**

Dance 4 students study the balance between the technical and artistic elements of ballet and contemporary dance. While it is not required, it is recommended that students who enroll in Dance 4 (4th Grade Ballet & Contemporary) have completed Dance 1-1st Grade Ballet, Dance 2-2nd Grade Ballet, and/or Dance 3-3rd Grade Ballet & Contemporary prior to participating in the 4th Grade Family Waltz-due to the rigor of technique in this class. Ballet students of Dance 4 must exhibit a consistent understanding of the material from the prior levels and have a high degree of mental focus and physical technique. Students whom have taken ballet, at an approved/accredited dance studio, in lieu of Elementary After School Dance at Campbell Hall should request to be reviewed prior to enrolling in Dance 4-4th Grade. This class meets twice a week, with occasional Saturday Nutcracker rehearsals. Students will study primary Vagonova Ballet Technique, as well as basic Graham and Horton Contemporary Dance technique. This is a year-long performance class with a recital presentation at the Elementary After School Programs Winter Recital, The Nutcracker and the Elementary Spring Arts Festival.

#### **Dance 5-6A and Dance 5-6B**

##### **Dance 5 • 5th Grade Ballet & Contemporary (Pre-Secondary Repertory)**

Dance 5 Ballet students begin intermediate Vagonova Ballet Technique, and continue basic Graham and Horton Contemporary dance technique. Female students in Dance 5 begin pre-pointe strength training. En Centre combinations develop with more complexity; moving in a faster-paced class is expected. Dancers are motivated to apply self-correction and to demonstrate a higher level of self-awareness. A strong understanding of the theories and practicum of ballet and contemporary, as well as self-control and discipline are necessary to progress through the ballet and contemporary secondary program.

Additionally, this coming year, we will offer a new opportunity for fifth and sixth grade dance students. Many of our fifth and sixth grade students have prior dance experience which allows them to learn at a slightly more accelerated pace. This fall, we will be moving to a combined fifth and sixth grade dance program with two separate class sections, each meeting twice weekly. One section will be geared toward those students who are ready for a faster pace. Upon registering for 5th grade dance, more information will be sent to you regarding the recommended class level. Both classes will perform in elementary productions and both will meet twice a week studying ballet and contemporary dance.

Participation in the secondary dance productions (Nutcracker and Secondary Spring Concert) will continue to be divided by grade level. Fifth grade and sixth grade will meet by grade level once

weekly with the secondary dance teachers during the concert rehearsal process. Participation in the secondary dance productions is voluntary but students must be enrolled in the elementary dance program to participate.

This is a year-long performance class with a recital presentation at the *Elementary After School Programs Winter Recital, The Nutcracker, The Secondary Extra-Curricular Dance Show and the Elementary Spring Arts Festival.*
