

CAMPBELL HALL **FRESHMAN EVENTS**

High School Welcome + Scheduling Overview

Thursday, April 11 at 6pm

Please plan on joining this zoom meeting for families to meet high school administrators and learn more about our HS program and the class scheduling process. The zoom link will be mailed out to families in early April.

Freshman Orientation

Friday, August 23 – Sunday, August 25

Apple Canyon Center in Mountain Center, CA

12th grade student mentors, the high school principal, assistant principal, 9th grade advisors, and faculty join the freshmen at this orientation. Under the direction of the 9th grade dean, the program includes highlights such as team-building, recreational, and orientation activities. Students will be oriented to the high school, community programs, chapel, student life, and their own specific class schedules. They will have the opportunity to ask a panel of seniors questions about navigating high school successfully.

Students new to Campbell Hall also will have some time to set up their CH email account and learn how to navigate their online myCH resource tiles.
