

# CAMPBELL HALL

## 7TH GRADE FAMILIES

### QuickStart

**June 17 - 21, 2024**

*(campus is closed on June 19, 2024 for Juneteenth)*

***For students entering 7th grade at Campbell Hall in Fall 2024***

QuickStart is a four-day summer program that fosters incoming 7th graders' connection to the Campbell Hall community. In the program, students experience their new teachers, procedures, and, most importantly, get to meet their classmates in the class of 2030. Through cooperative activities in science, math, English, and technology, students will explore, innovate, and make new friends. QuickStart will help students become familiar with our teachers and each other and set them up for success as they transition to middle school.

QuickStart runs from 8:50am to 2:35pm.

Tuition: \$580
