Dear Middle School Families,

We are delighted to welcome you and your child(ren) to the middle school for the 2025-2026 school year. Please review the information below about **Math** and **World Language Placements**.

#### **MATHEMATICS PLACEMENT (All NEW to CH Students)**

**The IN PERSON Math Placement Exam will take place on Tuesday, April 29 from 4:30-5:30pm.**

The purpose of this examination is to provide the mathematics department with additional information for math placement. The department will also look at report cards, student narratives, standardized test scores and teacher recommendations. All incoming students are required to take an in-person math placement test so we can ensure appropriate placement. No preparation is necessary.

**Please note:**

- The in-person placement test on 4/29 is specifically hosted for New-to-CH students.
- *Current CH students will take their math placement tests during elementary school hours.*

Please [\*\*CLICK HERE\*\*](#) by Tuesday, **April 8th** to register your child for Math Placement.
